

Neeraj Gupta

Rani Sati Marg, Mumbai 400097 • neerajgupta24082004@gmail.com • + 91 9125286054

PROFILE

Motivated BSc Computer Science graduate eager to translate solid theoretical foundations into practical experience, enhance technical skills, and actively contribute to innovative projects in both full-time positions and internship opportunities.

PROFESSIONAL EXPERIENCE

Software Development Intern
Pavish Infotech Pvt. Ltd. | MAY 2025 – Present

- Working on software development and OpenCart customization using PHP, OpenCart, jQuery, AJAX, SQL, JavaScript, React, Node.js, Git, and GitHub, contributing modern solutions to ongoing projects. Collaborating with team members in agile sprints
- Writing clean, maintainable code and performing debugging tasks
- Learning industry-standard tools and practices

PROJECTS

Women Saftety App:

- Developed an Android application in Android Studio using Java and Google Maps API, featuring real-time location tracking, SOS alerts, and nearby safe zone mapping for emergency assistance.
- Designed an intuitive user interface focused on security and performance, integrating live safety resources and alerts to ensure quick, reliable support during critical situations.

GalactiVisions - Space Enthusiast Website:

- Developed **GalactiVisions**, a visually engaging website for space enthusiasts, using HTML, CSS, JavaScript, Bootstrap, and jQuery to deliver a seamless, responsive user experience, and integrated NASA's API to dynamically showcase the "Picture of the Day" alongside curated space content.
- Designed and implemented an interactive game feature with JavaScript and jQuery, challenging users to arrange planets within a set timeframe, enhancing user engagement and entertainment.

SKILLS

Technical Skills:

- Programming Languages: Java, C, C++, C#, Python, PHP
- Software and Tools: VS Code, Python IDLE, Oracle SQL, Microsoft Visual Studio 2022, Turbo C++, Dev C++
- Web Development: HTML, CSS, JavaScript, AngularJS, Bootstrap, ASP.net, ADO.net, jQuery

Soft Skills:

- Teamwork: Proven ability to collaborate within group settings.
- Problem-solving: Strong analytical and problem-solving skills.
